Basic Legal Documents

Will (Last Will and Testament)

Trusts, including Revocable Living Trusts

Medical Decision-making

Financial Decision-making

Medical Decision-making

Healthcare Surrogate
Living Will

Financial Decision- making

Power of Attorney

The Plan

Realize good estate planning is coordinating:

- How assets are titled
- How beneficiary forms are completed
- Having the right legal documents
- Considering the protection our beneficiaries need

Special Needs Beneficiaries

- Divert inheritance into a Special Needs Trust
- Consider whether a Guardianship or Guardian Advocacy is necessary
- Pursue benefits through Social Security and State (Medicaid)

Social Security

- Consider SSI (Supplemental Security Income) at age 18
- Know about DAC (Disabled Adult Child) / CDB Benefits

Medicaid

- For Medical Expenses
- Medicaid Waiver through APD
 - Agency for Persons with Disabilities

ABLE accounts

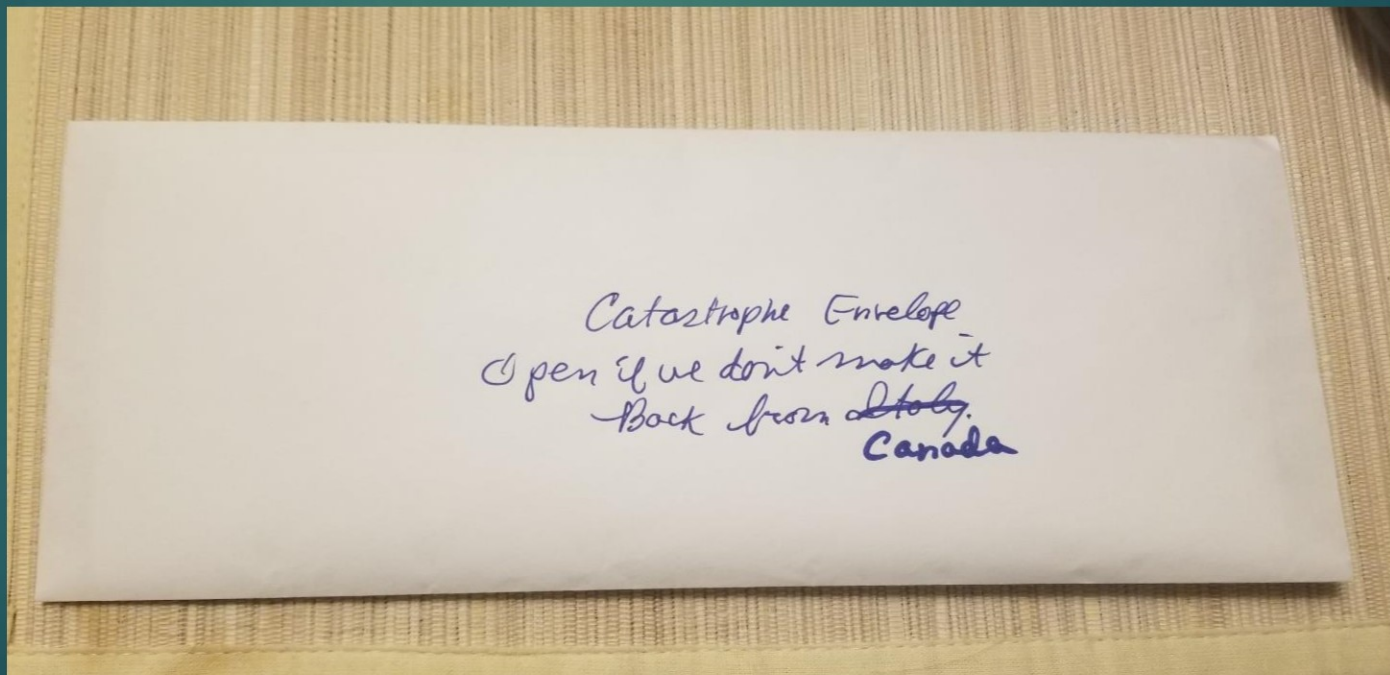

- www.ableunited.com
- Sheltered for SSI and Medicaid
- Free
- Run by State

The Plan

Letter of Intent...
the Envelope at my
house.
